"Offering safety to our riders is only 50% of our focus, safety for drivers is also key to providing quality rideshare service. By enhancing safety and security in a very transparent manner on every active ride, DisplayRide's solution is aligned with our mission to not only provide safety to our riders but also offer a safe and a pleasant work environment for our drivers", said Margarita Clarke, CEO, JumpRydz.

"We are delighted to partner with JumpRydz", said Abdul Kasim, CEO, DisplayRide Inc.
"Transporting children and seniors entails a level of sensitivity that goes beyond what is expected in traditional rideshare, especially when it comes to providing safety. We are pleased to collaborate with JumpRydz and deliver this level of safety to both riders and drivers".
